Re: Commercial real estate services

With reference to Colliers International tenant representation services I would like to recommend **Grzegorz Paluch** and **Krzysztof Kienorow** guiding **CWS-boco Polska** through the whole renegotiation process of industrial space rental in Dąbrowa Górnicza in Upper Silesia region.

I thoroughly enjoyed working with Colliers team on this project because as well being true professionals showing thorough knowledge of the market, they were always willing to take time to discuss our business issues and concerns.

As a result of the process we decided to prolong the lease with current owner at much better conditions as our saving was significant.

We have no hesitation in recommending Colliers International to any company that is looking for production/warehouse space or needs professional advice in real estate renegotiations.

Sincerely,

PREZES ZARZĄDU
